

NEW PARKING REGULATIONS!

Dear Esteemed Colleagues and Students,

We are pleased to inform you that some 300 parking lots are now available on the adjacent hill.

Effective from Friday, 6 October 2006, stern action will be taken against staff and students who park indiscriminately within the compound of UCSI. You are therefore advised to park at designated parking bays only.

Failure to park in designated parking bays may result in strict disciplinary action. Kindly take note that:

- a.) First time offenders will be issued ONLY one warning. The security guards have been instructed to record the details of your vehicle;
- b.) Subsequent offenders - A penalty of RM20.00 will be imposed, up to a maximum of three (3) times.
- c.) Thereafter, if you continue to park indiscriminately, your vehicle will be clamped by the Maintenance team. You will have to pay a levy of RM50.00 for the clamp to be removed.

Kindly comply accordingly.

Thank you.

The UCSI Management Board
