His Excellency Pit Chamnan*

**KUALA LUMPUR, 15 December 2006 Friday** – Cambodia's Secretary of State, His Excellency Pit Chamnan, made an official visit to UCSI with his entourage of 11 delegates from the Ministry of Education, Youth & Sports, Cambodia.

Upon his arrival, UCSI's Vice President for Academic Affairs, Mr. Chin Peng Kit and the members of the management board welcomed the delegation to the campus.

The aim of this visit was to increase understanding of the Malaysia's public and private higher education system and further promote the friendly relations between UCSI and the Government of Cambodia.

His Excellency Pit Chamnan and the delegation were introduced to UCSI through a Corporate Presentation by UCSI's Director of Special Projects, Tuan Haji Abdul Fatah Abdul Karim. He explained the University's important role in the community, as well as the structure and the philosophy of the organization.

The delegation later had a discussion in strengthening ties and forging partnerships along several lines with UCSI.

During the Secretary of State's visit, he was accompanied by Puan Maniza bte Mahfuz, the Senior Assistant Director of Marketing and International Education Division from the Ministry of Higher Education, Malaysia.

The delegation also met and exchanged views with other members of the UCSI's team at a lunch hosted by UCSI.

UCSI has also played host to a delegation from the Indian Institute of Management from India recently. This visit was arranged by the National Productivity Corporation to further understand the business operation and planning process of the university.
