

## *YOUNG AND ASPIRING MODELS AT UCSI'S NEW MODELLING PROGRAMME*

UCSI added another feather to its cap with the launch of its new, four-month, intensive modelling course.

Informative, practical and fun, this experience will culminate in a graduation fashion show to be held at the end of May, 2007 at UCSI, when students will receive their Certificate of Attendance.

Head of the Fashion and Textiles Department, Linda Hurley, who will be supervising the course, said it aims to provide students with the opportunity to gain an ethical yet practical foundation in the many exciting aspects of the fashion business and modelling.

"We want to educate our students to be aware of the pitfalls and exploitations that can be prevalent within the world of modelling and promotions," she said. "We would like to inspire them to become true ambassadors of their profession."

Vice Chancellor and President, Peter Ng, officiated the occasion with Guest-of-Honour, former Miss Malaysia/World 2005, Emmeline Ng.

Three professional models and three students from UCSI – who are aspiring models – took to the runway, modelling a variety of evening outfits from local designers.

Themed, 'Diamonds are a Girl's Best Friend', the night's event showcased the nostalgia of the Marilyn Monroe era and fashion of the early 50's, with swanky evening and glamorous cocktail party dresses.

The evening's event was set against a backdrop of atmospheric music provided by our very talented students from UCSI's School of Music.
